

MY FLAME
LIFESTYLE

COLLECTION S/S 2026

WINE FLIES WHEN
YOU'RE HAVING FUN

DESIGNED
TO BE LOVED.
MADE TO
STAND OUT.

Welcome to the Spring / Summer 2026 collection by My Flame Lifestyle — where meaningful design meets irresistible gifting, and where your shelves are about to get a serious glow-up.

This season, we're turning up the creativity (and yes, the wick). Expect bold ideas, refined aesthetics and innovative products that make customers stop, smile and buy. Whether you run 500+ stores or a boutique with two passionate team members, this collection is designed to perform—beautifully and commercially.

We're proud to introduce a striking new candle collection in smoky glass, filled with sculptural wax "rocks" that look as good unlit as they do burning. A little edgy. Very stylish. Impossible to ignore. After the success of our double-walled tea glasses, we're expanding the range with three new designs. Alongside this, we're introducing a brand-new line of scented candles in ceramic egg cups, coffee cups and tea mugs. Yes—candles in cups. Cozy, clever, and designed to live on long after the flame has gone out. Because we believe a candle jar can be so much more than just a jar. It can be something to reuse, reinvent and enjoy again. Stylish recycling, the My Flame Lifestyle way.

You'll also discover:

- A completely new Love Collection and a fresh, heartfelt Mother's Day range
- A stylish new line of outdoor candles (because summer nights deserve atmosphere)
- Our popular bracelet candles, now refreshed with hip, bohemian bracelets instead of wish bands—same meaning, more style.

Alongside our ongoing collaboration with Amnesty International, we proudly introduce a new partnership with Lief's Official—the inspirational platform of influencer and life coach Danique, who reaches over 190,000 followers daily with powerful quotes around self-love and personal growth. Meaningful messages, beautifully translated into products that truly resonate.

In short:

This collection is designed to sell, to inspire, and to stay memorable.

A little sass. A lot of soul. And just the right amount of flame.

Let's make Spring / Summer 2026 unforgettable.

With love,

Femke de Boer & Annefiet Brandjes

SOY CANDLES

We love the soft touch of soy wax and its organic properties. As it's all plant wax, thus vegan, they hardly spread any soot, they burn up to 45% longer compared to regular candles and they have a better scent throw due to their lower burning point. We would also like to share a fun fact; when the candle has burned for a little while, you can use the liquid wax as hand cream for dry hands. You can blow out the candle and pour the wax right into your hands. Massage the wax into your hands et voila, you have a great moisturizer for the day. Additionally, soy candles are better for the environment as they're made of soy beans instead of crude oil. Our soy beans come from RTRS certified plantations for which no rain forests are harmed and the beans are non-GMO. These candles are a must-have in every home.

MATCHES

These matches are environmentally friendly and don't contain sulfur but an iron-phosphorus compound. Additionally, matches are easily recyclable and biodegradable. Unlike lighters, matches are made from wood which is biodegradable. This way, they won't contribute to the growing waste problem in the world. Bella Citronella

Citronella with a hint of vanilla which make it an even stronger repellent for mosquitoes.

Green Tea Time

Did you know green tea has the characteristics to eliminate unpleasant odours? It's like a natural air freshener. This divine mix of pure green tea and bamboo gives your home a natural, fresh scent. Accompanied by floral accents such as calming rose and lilies, this beautiful mix makes it a fresh and soft fragrance and has achieved popularity throughout.

Fresh Cotton

A soft and light fragrance that makes your environment smell like it's just been in the washing machine. A fresh, pure and comfortable mix of amber, citrus, lily, jasmine and with a soft hint of musk. With this fragrance, you'll never have to miss that feeling of freshly washed clothes.

Lavender Fields

Lavender Fields is like a breath of fresh, floral air that instantly transports you to a sun-kissed meadow. It's your go-to for that peaceful, dreamy vibe whenever you need to unwind and chill.

Jasmine Luxe

A sensual blend of blooming jasmine petals, soft white musk, and a hint of creamy sandalwood — an elegant, floral embrace that lingers with effortless sophistication.

Minty Bamboo

If you're into fresh bamboo scents, you're at the right place. This is a fresh scent with watery, flowery and complex notes, blended with a modern heart of bamboo. A mix of apple, mint, bamboo, lilies, pansies and tuberose.

Fig's Delight

From living room to restroom and from kitchen to bathroom. This fragrance is for your entire house. You will never get enough of this fine sweet aroma of fresh figs in combination with the woody though freshening kick of copaiba. A favorite fragrance of many.

Warm Cashmere

This warm combination is the perfect mix of fresh flowers, golden peach, sensual cashmere, musk and soft vanilla. Without a doubt, this is the warmest mix of our favorite ingredients and is the most wanted fragrance by our customers.

Calming Sandalwood

This is your ticket to zen, where warm, woody notes wrap you in a soothing embrace, grounding your soul. Perfect for those moments when you need to vibe with serenity and let the stress melt away.

A strong, delightful and sweet fragrance. It has a sexy mix of amber, vanilla, musk and roses with patchouli floating in the back. Amber's secret goes perfectly well with a cozy night.

Silky Tonka

A sensual, rich fragrance. Extravagance! The topnotes are tonkabean, vanilla and pear. A wonderful combination of sweet, fresh, softness, and further down the road you also find a little bit of spice.
